

TEACHER — READY TO USE

Project Rubric Recording

Score each student 1–4 per criterion (1 emerging · 2 developing · 3 meeting · 4 exceeding). Use **Notes / next steps** to record a specific goal for each student.

Student	Solves a real problem	Uses 3+ JS tools	Works (tested/ debugged)	Presents & explains	Total / 16	Notes / next steps

Graduation note: passing the capstone (4 of 4 criteria met) graduates the student to Engineers.

Quiz Scores & Observation

Student	Quiz 1 / 10	Quiz 2 / 10	Participates & on task	Tries again / debugs	Notes & next step

Accommodations applied (tick as needed)
